die Größe

anything you find in the paper trash

1 Cut out 6 paper squares of the same size. Any paper will do, so take the chance to **RECYCLE !!!**

your children's art  
old bills  
old scraps of wrapping paper

2 Fold all squares diagonally twice

3 Cut into the triangles three times from the closed side (parallel to the longest side)

longest side  
(roughly along these lines, but not all the way through!)

4 Unfold it and it should look like that

5 Now glue together the tips marked with "1" and "3".

6 Turn around and glue together the tips of "2" and "4". From the side it should look like that.

7 Now fold, cut and glue all 6 squares like that and glue them together at their tips.  
Voilà

An idea from Wisamar's Advent Calendar 2020
